<b>PRE-EMERGENCE CONTROLS</b>																					
	<b>POST-EMERGENCE CONTROLS</b>																				

\* Some labels specifically list weeds controlled by genus and species. Others use common names only. Consult your distributor or other specialist if you are unsure about a specific weed. This table does not include non-selective herbicides or fumigants. <sup>1</sup> Some labels list "Italian ryegrass" rather than "annual ryegrass." However, the names are synonymous.

# HERBICIDES: WEEDS CONTROLLED **BROADLEAF**\*

	HERBICIDE	Bedstraw	Beggarticks	Bindweeds	Black Medic	Burdock	Buttercups	Carpetweed	Catsear	Calnip	Chickweeds	Chicory	Clovers	Cocklebur	Cudweed	Curly dock	Dandelion	Dodder	Dogfennel	Dollarweed	English Daisy	Evening Primrose	Fawnweed	Field Pansy	Fleabane	Florida Pusley	Frenchweed	Gallinsoga	
		PRE-EMERGENCE CONTROLS																											
POST-EMERGENCE CONTROLS																													

\* Some labels specifically list weeds controlled by genus and species. Other labels use common names only. This can be confusing when two species have similar common names. Consult your distributor or other specialist if you are unsure about a specific weed problem. This table does not include non-selective herbicides or soil fumigants.
