

[illegible]

¹ Labels may not allow all uses on all turfgrasses indicated. Check product labels for specific use instructions. ² This table indicates which products' labels specify overseeding use. Others may not specify this use but do not forbid it either, and so may be appropriate for this use.

PGRS FOR LANDSCAPE ORNAMENTALS*

[illegible]

* Does not include PGRs registered only for greenhouse/nursery use.

SOURCES OF PGRS¹

[illegible]

¹ No endorsement is implied by this listing, nor is criticism implied by omission.

2 Available in combination with granular fertilizers, as well as singly as a liquid.
